Class History

When we first started to high school in 1945, we were green, but soon learned and later were like the others in school. There were 33 enrolled in our Freshman year, but there were only 27 at the close of the year. Our teachers were Miss Rollins, Mrs. J. Ross McKinney, Mr. and Mrs. Grissom, and Mrs. Wilma Spencer. With Miss Rollins as our sponsor we enjoyed a picnic at Natchez Trace State Park at the end of the year.

During our second year we could see the mistakes that we had made the previous year. We entered with 27 enrolled as Silly Sophs. Our faculty consisted of W. C. Beers, principal, Mrs. J. Ross McKinney, Mrs. Dinwiddie, and J. O. Forbes. We took a sight-seeing tour to Memphis, visiting the zoo, Pink Palace, and other places. At the end of school there were 23 left.

We entered C. H. S. as Jolly Juniors with only one year left to go. This year we gained two new teachers. The faculty consisted of Mr. Beers, Mrs. J. Ross McKinney, Mr. Forbes, and Mr. and Mrs. Therrell. This was a year of work for us as we had to get ready for our Junior-Senior Banquet. We made our own memory books and place cards and prepared our menu with the help of our sponsor, the Sophomores, and Freshmen. We had a wonderful time on this April 8, even though the Seniors were finishing. Of course we hated to lose them, but we were looking forward to the next year at this occasion.

On July 12, 1948, there were only 18 left as we entered school. Like all Seniors we felt proud. Our teachers were Mr. Forbes, Mrs. Thompson, Mrs. McKinney, and Mr. and Mrs. Therrell. Early in the year we chose Mrs. Therrell as our sponsor. She has guided us safely thus far, and we are looking forward to a successful commencement.

Class Will

We, the Senior Class of '49, being of sound mind on this the 21st day of the 4th month in the year 1949, do declare this to be our last will and testament:

I, Waudeen Hatch, leave to Nadean Carey my power to keep Edith Hatch out of mischief at all times.

I, Rose Helen Horn, leave my ability to get along with one boy friend at a time to Mary Jo Waugh.

I, Imojean Hester, will to Edith Hatch my ability to settle down and become a successful housekeeper.

I, Jean Williams, will to Mildred Pendergrass my ability to chew gum in class without being seen.

I, Ruth Mann, will to Louise Davis my ability to say the right thing at the right time.

I, Imogene Wall, leave to Freaman Hale my ability to get along with my teachers.

I, Bobby Horn, leave to Robert Gooch and Billy Brandon my ability to play hookey and get by with it.

I, Jamie Robertson, leave to Earl Waugh my ability to get along with the teachers in order to prevent suspensions and being sent out of class.

I, Garland Scott, will to Joseph Howard Meals and Murray Orr my ability to do all campaigning for Clarksburg High in future years.

I, Guyneth Mann, leave to Evonne Carden my ability to keep calm while taking tests.

I, Alva Jean Springer, will to Frank Ross my desk which he has used so faithfully for the past year.

I, Max Lewis, will to Billy Ringold and Wayne Kirk my old set of books, hoping they will use them more than I have.

I, Bobby H. leave to Annie Lee a pound of energy to help her laugh.

We, Alva Jean Springer and Alberta Williamson, leave to Verline Rigsby our freckles.

I, Ludell Smith will to Bobby Jean Harris my ability to answer the roll call every day.

I, Edward Todd, will to Billy Darnell, Aubrey Taylor, and Bobby Spain my ability to make friends with all the girls in Clarksburg High School.

To the Junior Class as a whole we leave our dignity, our experience of the past year, our old seats in study hall, and the joy of being a Senior.

To old C. H. S. we leave our appreciation for the ideals and for the knowledge gained. Our best wishes go with you always.

Class Prophecy

The fifteen joyful passengers who made their way down to the airport to get aboard the B-29 were heading for some unknown destination. We were excited and began asking many questions about our long trip. The pilot told us that there was nothing to fear. We hesitated for a second about bidding fare to our parents and friends of old Clarksburg High School. We soon became acquainted with our crew, and our long trip into the future began.

When our journey was almost ended, we had an atomic explosion and were separated from our crew. Years later, we found the following to be the location and occupation of our classmates:

Bobby Horn is now in Canada supplying city markets with furs and meats.

Max Lewis and his beloved wife have just been blessed with another arrival which makes a happy family of seven.

Garland Scott is now the new and prosperous owner of the new Ford Company in New York. Although he is very wealthy, he has remained a bachelor.

Alberta Williamson, after long years of courtship, has decided to become Claudie's wife. They are making their home at Center Ridge.

Jean Williams is now in college at U. T. She has decided to become a secretary for Edward Todd.

Guyneth Mann has become the greatest opera singer in New York.

Ludell Smith is teaching school in San Francisco where Mr. Walker is the principal of the faculty.

Ruth Mann is now a famous pianist in Hollywood and is engaged to the band leader.

Alva Jean Springer has been selected the bathing beauty of Miami.

Imogene Wall is keeping house for her lovely triplets and her husband who is teaching school.

Waudeen Hatch is in Memphis training to be a nurse.

Rose Helen Horn and Joe have decided to make their home in Texas where he is engaged in oil manufacture.

Jamie Robertson is a typist for the Higgs and Higgs Co. in Nashville.

Edward Todd, the well-known lawyer of St. Louis, and his secretary, Jean Williams, are now engaged in a divorce case.

Imogene Hester and Robert are now living on their cattle ranch out in Arizona.
